Marie Dingwall Memorial Trophy:

This annual award was established in memory of Marie Dingwall, a long time and much loved member of our club who passed away suddenly in 2010. It recognises a member of the Masters Swimming South Australia (MSSA) community who has contributed to our swim and the Open Water Swim Series and who embodies the Masters spirit of friendship, fitness and fun. To be eligible a nominee must be a MSSA Member and must be participating in the current OWS Series and the Marion swim as either a competitor or as an organiser. Nominees are invited from MSSA clubs and the award is announced at the Presentation ceremony following the swim.
