

To be qualified and covered with insurance to be a Masters coach in SA you need to fit into one of these groups.

1. A member of SCTA that also has insurance as part of your membership.
2. Completion of the Masters Swimming Australia coaching course.
3. Teacher of Competitive Swimming/Foundation Coach with any of the 3 levels- Development, Performance or Advanced with SCTA membership to cover insurance.
4. Austswim Teacher of Competitive Strokes which should include insurance.

If you do not fit into one of these categories, then you do not hold the required qualifications to be coaching a masters club. Please ensure you make the relevant checks that you are covered by the insurances mentioned above as this is your personal responsibility.
