The Barking Mad Reds will be vintage 2018/19, Shiraz, Cabernet Sauvignon, Grenache Shiraz together with a 2023 Riesling.

Rielly's Black Label Reds will be Vintage 2018/20/21. Shiraz, Cuvee Shiraz, Cabernet Shiraz and 2024 Watervale Reisling

All wines are available in either a straight dozen (e.g. 12x Shiraz) or in a mixed dozen (which will be 3 x Shiraz, 3 x Cabernet Sauvignon, 3 x Grenache Shiraz and 3 x Riesling). This combination will also be the same for the Black Label range.

The Barking Mad range will be priced at \$150.00 per dozen and the Black Label range at \$216 per dozen, which represents excellent buying. These make excellent Birthday gifts or stocking fillers at Christmas.

If you are interested, please text your order including a valid email address to John Coudraye on 0409779657 and clearly state your order, the Range required i.e. Barking Mad or Black Label (or both) per dozen (e.g. 1 x case Barking Mad Shiraz, 1 x case Black Label mixed).

The closing date for all orders is Friday the 29th of August 2025.

Once all orders have been received an invoice for your purchase will be emailed to you, together with a finalization date for payment. **Full payment will need to be made prior to that date** before your order is placed with Reilly's Wines.

It is anticipated there will be a common drop of point for delivery of wines. As an example, this may be the Unley Swimming Centre car park, this is still to be finalised.
